**Nursing Facilities**

---

**Nursing Facility Claim Submission**

Nursing facilities are encouraged to submit claims for residents monthly. Most residents will be in the facility for the entire month and have personal resources that must be applied to the cost of care. Monthly submission simplifies this process.

Facilities submitting electronic claims may submit claims for short stay residents or correct denied claims on a weekly basis.

**Contact Information**

For claims questions or additional information, contact Provider Relations:

**Provider Relations toll-free in- and out-of-state: 1-800-624-3958**

**Helena: (406) 442-1837**
